

2021 Main Range

CREATING FUN FOR EVERYONE!

GAMES

The background of the slide is a complex, abstract geometric pattern. It consists of several overlapping shapes, primarily circles and squares, in a palette of bright blue, orange, yellow, and green. Some of these shapes are filled with patterns: diagonal stripes (green in the top right, yellow in the bottom right), concentric arcs (dark blue in the middle left, yellow in the bottom right), and vertical stripes (dark blue in the top right). The overall effect is a vibrant, modern, and playful design.

Players must race against each other, as teams or individuals, to answer one simple question; This or That?

Includes:
200 x Question Cards
Age: 8+
Players: 2+

FAMILY FUN

1640 This or That?

Players must answer colour-code questions and complete tasks to earn a section of brain.

The first player to build their brain wins!

Includes:

4 x Brains

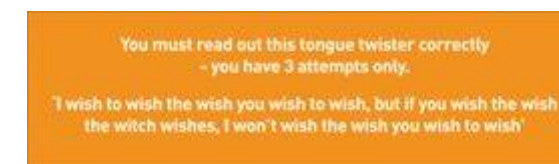

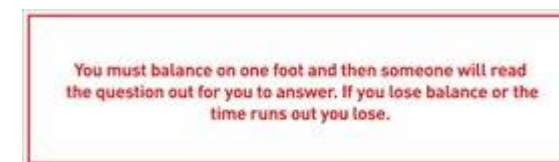

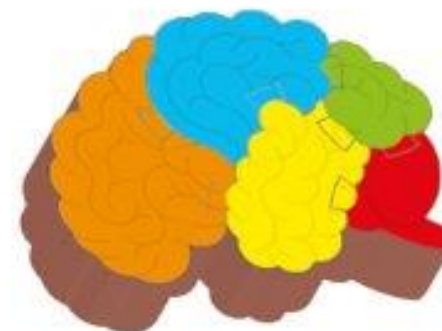

200 x Task Cards

1 x Coloured Dice

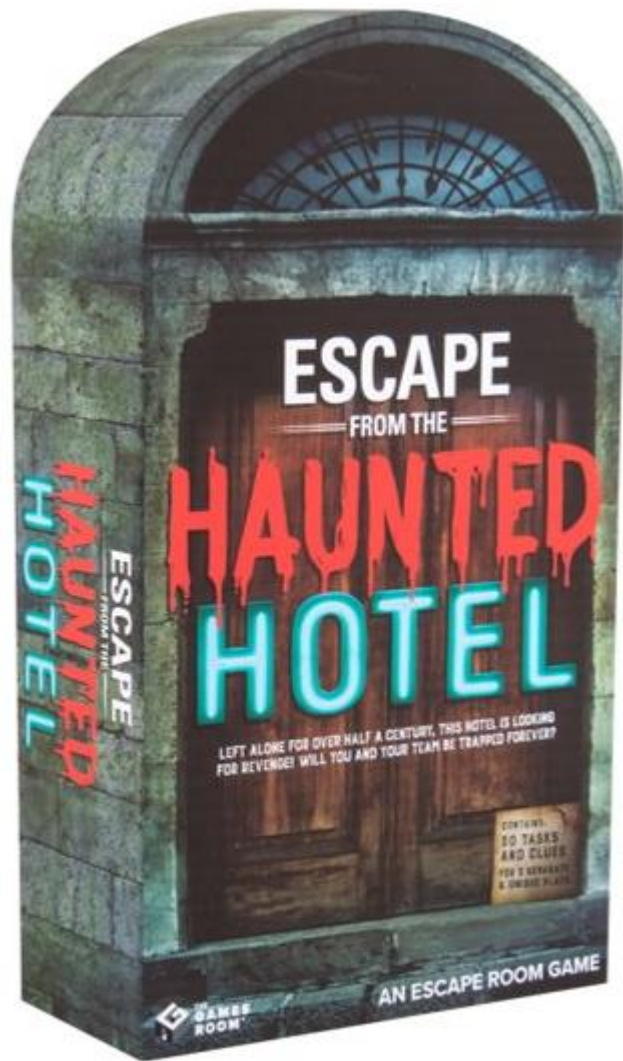

Age: 8+

Players: 2+

FAMILY FUN

1634 No Brain No Gain

The Hotel Terminus has been left without human contact for over 90 years until urban explorers started to investigate the rumours of haunting at the abandoned hotel.

Move from room to room solving unique puzzles to escape the hotel before time is up.

This game includes 3 unique playthroughs.

ESCAPE ROOM GAME

1636 Escape The Haunted Hotel

Murder on the Dance Floor brings a groovy twist to a game-night classic. A ghastly murder has taken place and the killer is still at large. It's your job to solve the murder!

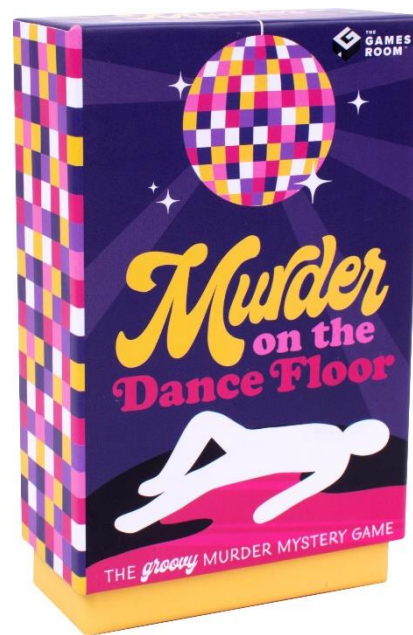

Includes:

LIFESTYLE

The background of the slide is composed of several large, overlapping triangles in various colors: a light green triangle in the top left, a bright pink triangle in the top right, a light pink triangle in the center, a teal triangle in the bottom left, and a blue triangle in the bottom right. The triangles are arranged in a way that they seem to radiate from a central point, creating a dynamic and modern geometric pattern.
