

# DOUBLE JOINTED

## THE ULTIMATE DRAWING CHALLENGE

Get strapped in, it's time to draw! This game requires two people to lock their wrists and draw the item on their card. Play in teams and guess the drawing first or combine forces and use the pencil in the middle to work together on one creation!

### HOW TO PLAY

#### 3+ PLAYERS - SOLO PLAY

Gather 3 or more players, each round choose two players to be the Artists. The other player(s) will be the Guesser(s). Make sure to change the Guesser(s) and Artists each round.

The game has 2 modes: Competitive or Collaborative. The Artists can choose which mode each round.

#### Competitive Play

Grab a pencil each as shown in the image to the right. The Artists must then pick up a card, be careful not to show the Guesser(s), each take one word on the card. The Guesser(s) must then count down from 3 to start the round. The Guesser(s) then must try to guess one of the drawings, and the first image to be guessed wins a point. The Guesser(s) must be checking both images as the Artist's sketch away and can guess as many times as they want. The first Artist's drawing to be correctly guessed is the winner for the round and gains 1 point.

#### Collaborative Play

The two Artists place their hands in the strap and secure the band so that it looks like the image below on the left. The Artists must then pick a card and silently decide on one of the two prompts. The Guesser(s) will then set a 15-second timer and count down from 3 to start the round. The Guesser(s) will have these 15 seconds to try to decipher the image. If the drawing is correctly guessed both players will gain a point.

#### 4 PLAYER + - TEAM PLAY

In this version, one person from each team will grab the pencil and try to get the other players in their team to guess. For this version, you will only use the competitive version as above but will work within the teams.

#### RULES

You cannot use letters to act as clues, you can only sketch. If the word isn't correctly guessed after 1 minute, you can switch to another card.

#### HOW TO WIN

The winner is the person with the most points after 20 rounds.
